I am a Fresher Software Test Engineer with a strong interest in manual and automation testing. I have hands-on experience with Selenium WebDriver, Java, TestNG, and Cucumber BDD, and practical exposure to API testing using Postman and Rest Assured. I'm comfortable working in Agile environments and using tools like Jira and Git for tracking and collaboration

AREA OF EXPERTISE

- Manual Testing
- Automation Testing
- Agile Methodology
- Selenium WebDriver
- Java Programming
- TestNG Framework
- Cucumber BDD
- API Testing (Postman, Rest Assured)
- Version Control (Git)

KEY ACHIEVEMENTS

- Built automation scripts using Selenium and Java.
- Performed API testing with Postman and Rest Assured.
- Identified and reported critical defects in applications.
- Contributed to Agile testing and sprint activities.

PROFESSIONAL EXPERIENCE

Software Testing Trainee / Intern ([Roman Network Private Limited](#)) Oct 2024 - Apr 2025

- Gained practical experience in the complete software testing process, from understanding requirements to executing tests.
- Performed manual testing on web applications and identified functional and usability issues.
- Worked on automation testing using Selenium WebDriver with Java and TestNG.
- Created basic automation scripts and learned to build reusable test components.
- Performed API testing using Postman and Rest Assured to validate responses and functionality.
- Reported and tracked defects using Jira and worked closely with developers to resolve issues.
- Participated in Agile activities such as daily stand-ups and sprint meetings.
- Maintained test cases, test results, and simple testing documentation.

EDUCATION

Rani Channamma University, Belgaum (BCA) Aug 2021 - Oct 2024

- Studied core subjects including Java, programming concepts, databases, and software development fundamentals.
- Gained practical knowledge in coding and problem-solving.

Pb college jamkhandi (PUC Science) May 2018 - May 2020

- Completed higher secondary education with a focus on Physics, Chemistry, Mathematics, and Biology.
- Built a strong foundation in analytical thinking and logical reasoning.

ADDITIONAL INFORMATION

- Languages:** English, Kannada, Hindi.
- Certifications:**2024 Core JAVA Bootcamp From Zero To Hero.
- Awards/Activities:** Selenium for Beginners using Java step by step Test Automation CO (Udemy)
